

VISIX VX-3P28-OD-I EOL Notification

VISIX Camera: VX-3P28-OD-I Model replaced with New Advanced Model

Effective October 6, 2015 3xLOGIC will no longer accept orders for the following VISIX VX-3P28-OD-I camera. All orders placed on or after November 1st will be evaluated against existing product inventory. If stock exists 3xLOGIC will accept the order and ship, otherwise the customer will be advised of equivalent product replacement. This will affect the following part numbers:

VX-3P28-OD-I EOL

The VISIX VX-3P28-OD-I model is being replaced by new S-Series model VX-3S28-OD-I-3. The new S-Series model features a 3-axis gimbal.

EOL Models	Replacement Models
VX-3P28-OD-I	VX-3S28-OD-I-3

3xLOGIC will continue to honor the warranty on the VX-3P28-OD-I camera for the term of their original warranty, and all such warranty claims will be repaired or replaced with equivalent product per the 3xLOGIC warranty statement.

Kind Regards,

Justin Capra
