

## VIGIL Video Management Appliances (4U, Cube, MVR and Tower Chassis) EOL Notification

### **VIGIL Video Management Appliances: 4U, Cube, MVR and Tower Models replaced with New Advanced Models**

Effective September 1st, 2014 3xLOGIC will no longer accept orders for the following VIGIL 4U, Cube, MVR and Tower Video Management Appliances. All orders placed on or after September 1st will be evaluated against existing product inventory. If stock exists 3xLOGIC will accept the order and ship, otherwise the customer will be advised of equivalent product replacement. This will affect the following part numbers:

#### **4U Chassis EOL**

PROLITE and PRO1 Series 4U models are being replaced by V Series models. These new V Series NVR and Hybrid models feature 3U chassis, CD/DVD, and 8 fixed storage bays.

<b>EOL Models</b>	<b>Replacement Models</b>
PROLITE and PRO1 Series 4U Style Chassis (all models and variations)	V53xx and V73xx

#### **Cube Chassis, Mini Video Recorder (MVR) and Tower Chassis EOL**

PROLITE and PRO1 Series Cube models, MVR models, and PROLITE, PRO1 and PRO3 Series Tower models are all being replaced by V Series models. These new V Series NVR and Hybrid models feature 2U compact chassis, CD/DVD, and 3 removable storage bays.

<b>EOL Models</b>	<b>Replacement Models</b>
PROLITE and PRO1 Series CL Style Chassis (all models and variations)	V10xx, V30xx, V50xx, V70xx
MVR (all models and variations)	
PROLITE, PRO1 and PRO3 Series LT Style Chassis (all models and variations)	

3xLOGIC will continue to honor the warranty on the 4U, Cube, MVR and Tower Video Management Appliances for the term of their original warranty, and all such warranty claims will be repaired or replaced with equivalent product per the 3xLOGIC warranty statement.

Kind Regards,

Wendi Burke  
Director of Product Marketing
