

## VISIX™ V-Series 4MP High-Definition IP Vandal-Dome Camera w/IR

This four (4) IP Wide Dynamic Range (WDR) indoor dome camera from 3xLOGIC was engineered to provide high-definition video in changing or challenging lighting conditions, including bright backlit situations. The camera provides dual-streaming high-definition video at a full 2560 × 1440 pixels for video surveillance applications requiring superior clarity and image detail.

The VX-4V-ID-RIAWD is packed with all the features you might need for nearly any application including: full two-way audio, alarm input/output, SD card slot for local recording, motion detection, 140dB Wide Dynamic Range, remote focus, low-light/no-light, day/night functionality, and compatibility with a wide variety of standardized network protocols.

This aesthetically-pleasing vandal-proof dome camera allows unobtrusive and easy installation in a wide variety of areas. In addition, this camera is designed to continue functioning at top performance at temperatures as low as -30°C (-22°F) and as high as 60°C (140°F) allowing a wide range of applications.

The VX-4V-ID-RIAWD Comes standard with a 2.8-12mm varifocal lens providing support for most applications. Wide Dynamic Range and progressive scan image sensor delivers excellent image quality in challenging and ever changing lighting conditions.

Dual-streaming compression permits recording at the highest quality while allowing fast live viewing from anywhere in the world regardless of available bandwidth. In addition, with full support for both variable bit rate and variable frame rate, the quality of each stream can be matched to available bandwidth for the most effective video quality possible.

When coupled with the VIGIL Series of digital video recorders and Video Management System (VMS) software from 3xLOGIC, superior point-to-point hardware compression and decompression allows for maximum performance of streamed live video providing better video quality, more concurrent streams and a lower overall hit to CPU performance.
